

Duo: FLUG

A duo for piano and trumpet — Ingi Bjarni & Jakob Eri Myhre. A seven-piece suite on flight, resilience and loss

ABOUT

FLUG is a duo for piano and trumpet – Ingi Bjarni with Jakob Eri Myhre. Its seven-piece suite follows the flight of a bird drawn from a text by the pianist’s late mother: a story of resilience, loss and return. Wistful but never merely sorrowful, the music is dedicated to her, and to all those struggling with addiction.
